Omaha, Nebraska 68114

Dear Rolland:

This will verify your reception of WAKE on Monday morning
March 21, 1977 from 1:17 to 1:33am CST.

The reason for the sudden increase in readability of WAKE
was the s/off of WDEE in Detroit at 12:30CST.

Congratulations on being the only Nebraskan to report thus
far. Good luck in continued DXpeditions.

signed,

John S. Bowker
