This note will verify your reception of KMAN on 25 Feb 77. KMAN is our daytime 500 watt AM station. KMKF, our sister FM station operates on 101.7 mhz, from 6 a.m. to 2 a.m. daily. If you are ever in this area, feel free to stop through and visit.

I am enclosing a couple of our F. M. window decals, and coverage maps for both stations.

Sincerely,

Program Director,
