Omaha, Nebraska, 68114,

October 19, 1976.

Dear Rolland:

This letter is written in confirming your reception of KJEF-AM, 1290 kiloHertz, 1,000 Watts, Jennings, Louisiana.

At the time of your reception, 12:34 to 12:46 a.m., CDT, KJEF was conducting a check with Commercial Monitoring Service, of Kansas City, Missouri. (frequency check-monthly).

You have a fine receiver in that Hammarlund SP 600 JX.

Thank you for your fb report,

Clovis L. Bailey, Chief Engineer, KJEF.
