The station to which you were listening at

00:17 - 00:40 on 9 FEB 1976 was definitely

that of KNUJ AM 860/ ~~FM 93.1~~, New Ulm Minnesota.

KNUJ AM operates at a power of 1,000 watts and

KNUJ FM operates at a power of 28,500 watts.

We are happy to hear that KNUJ has been received
in your community.
