Dear Rolland:

Thank you for your report of reception of this radio station during our Proof Of Performance tests, on December 4, 1974.

You may find the following facts of interest. KSUM is celebrating its 25th year on the air this year, and is a locally owned, full-time station, with a staff of fourteen people. We have a remotely controlled, 1000 watt transmitter, and a three tower directional antenna system. An application for a fully automated, 50 Kw, stereo FM station is on file with the F.C.C. and we hope to begin construction in the spring of 1975.

My best wishes for a Very Merry Christmas, and a Happy and Prosperous New Year.

Sincerely,

*Clint Knapp*
