Dear Mr. Lindblade;

Thank you for your reception report of 4/13/79.

I have checked with our operations, and find your report is substantially correct.

This is your confirmation of reception of KUXL on April 13, 1979 from 6:50 to 7PM CST.

I am not sure what we have in terms of stickers or coverage maps; I am relatively new here as CE, but I will see if the secretary has something that can be included.

Best wishes for future DXing success.

Sincerely yours,

Lewis E. Munn
CCE

By the way, you may be interested that the transmitter we use is a McMartin, made out in your city!
