"THE VOICE OF THE VALLEY" — P.O. Box 46 — Wabasha, Minn. 55981 — Phone (612)565-4576

Dear Mr Lundblade,

This is in reply to your reception report you sent us in September. Sorry it has taken so long for a reply but things have been quite hectic for the past few months. Your description of our sign-off was quite accurate and correct. However, my name is Kim Jensen, not Ken Johnson as you reported.

We are a fairly new AM daytimer, operating at 1000 watts, as we signed on for the first time April 23, 1978. Unfortunately we have no bumper stickers as of yet. But hopefully in the not too distant future, they will arrive, and we will send you one. I have included however, a coverage map as you requested.

Thank-you for your interest in our station, and I hope if you're ever in our area you'll stop by for a visit

Sincerely Yours,

Kim Jensen
Chief Engineer
