Dear Mr. Lindblade:

Thank you very much for your reception report of KGMO-AM.

We have checked our Program and Operating Logs of
and you are indeed correct in what you heard.

You will be interested to know that KGMO-AM broadcasts with
5000 watts through a two-tower directional array, and
has been on the air over twenty years.

Enclosed is a coverage map of KGMO-AM for your files.

Thank you very much for listening and letting us know
of your reception.

Happy DX'ing!!

Sincerely,
