Dear Mr. Lindblade:

This letter will serve to confirm your reception of Radio Station K H A D in DeSoto, Missouri, which operates on a frequency of 1190 kilohertz with a power of 1,000 watts daytime hours.

You heard our final 15 minutes of programming on the 25th of February 1975, and our sign-off at 6:45 pm Central Daylight Time.

We are a daytime station of 1,000 watts power and our studios and transmitter are together at the same location on Upper Platin Road in DeSoto.

Thank you for listening and we hope you will be able to tune our way again sometime.

Sincerely,

Stew Thornley
