SPRINGFIELD'S NEW **GOSPEL** RADIO

December 30, 1974

Dear Mr. Lindblade:

Greetings from Missouri! Please forgive me for being so slow in answering your kind letter, but it fell my lot to be manager about the time I made the test and I have really been busy the last month. Thanks for writing.

This is to verify that your report was correct and that you did indeed pick up our signal that we broadcast from KLFJ, Springfield, Missouri on 1550 KHZ. on the morning of December 5, 1974 from 3:00-3:20 A.M. Good to know that our signal came up good your way.

Thanks again for writing and giving me this information and God's Sped to you. If you are ever down Springfield way, so stop in and see us here at KLFJ. OK?

Respectfully

Billy Wolfe, Pres.  
KLFJ Radio
