Dear Mr. Lindblade:

This is in reply to your DX report of reception of KRMO from 2:01 A.M. to 2:17 A.M. CST, on Nov. 18 1974. Thank you for your letter.

I am very happy to confirm your report of reception and am happy we were coming into Omaha so well. Sorry about that erasure problem you had with the tape, but I guess it happens to everyone at some time or other. Murphy's Law! Test tones, time checks, and I.D.'s correspond with our log.

You might be interested to know that we have had reports from Alberta, Canada to Florida; and from coast to coast.

Thanks again for your letter, and Happy Holidays!

Sincerely,

Jim Helmkamp
