Dear Sir,

This is to acknowledge your reception of this station during our frequency test on the morning of September 6, 1975.

I apologize for taking so long to answer...I'm not really that busy - just lazy. The coverage map enclosed is several years old and does not reflect up to date market data, but the coverage area of course remains unchanged.

It was nice to hear from you and if we can be of further service, please let us know.

Regards,

Duane Williams
