50,000 Watts  
810 KC  
Magee

Thank you for your report of reception of WCPC in your area. We always appreciate people letting us know where we are being heard.

WSJC - FM  
100,000 Watts  
107.5 MC  
Magee

WCPC Radio began operations in October, 1955 with 1,000 watts on 1320 KC...Later raising the power to 5,000 watts on that frequency.

WXTN  
5,000 Watts  
1,000 KC  
Lexington

February 29, 1964 WCPC moved to 940 KC, and uped the power to 50,00 watts. This station is owned and operated by WCPC Broadcasting Co., Inc. of Houston, Mississippi. The facility is licensed to operate from local sunrise to local sunset.

WSAO  
5,000 Watts  
1550 KC  
Senatobia

On 9--18--68 WCPC-FM was added. The FM stereo station utilizes 100,000 watts at 93.3 Mhz.

Your reception report was adequate. We hope this will be also for your records.

Thanks again,

WCPC Broadcasting Co., Inc.  
Houston, Mississippi
