Dear Rolland:

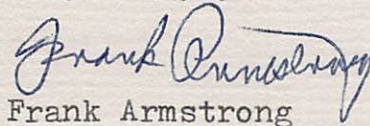

Thank you for letter stating reception of WKOR, Starkville, Ms. on October 2nd.

Our frequency measurement check is done the first Thursday of each month from 2:30-2:45AM CDT. We broadcast with 1000 watts at 980Khz. Our monitoring is done in Birmingham, Alabama, about 160 miles east of Starkville.

We are 180 miles south of Memphis, Tennessee and 120 miles north of Jackson, Ms. We have a Collins 20 V-3 transmitter which is remote operated. Our tower is 340 feet.

Thanks for your report. We were happy to hear from you.

Very truly yours,

Frank Armstrong
