RE: REPORT 140 - 77

Dear Mr. Lindblade:

This is to confirm the reception of KDDR 1220 KHZ on 11 November, 1977.
Your proof of reception is word for word.

KDDR is a 1000 watt daytime station at 1220 on the dial. As you might
know 1220 is a Mexican clear channel.

If you hear us again, let us know.

Very truly yours,

Timothy A. Branson,
Vice President/General Manager
