Dear Rolland:

Please accept this letter as confirmation of your receipt of our signal on January 23, 1977 at 1:15 a.m. to 1:45 a.m.

KICX is one of two stations owned by SEMECO Broadcasting Corporation. We operate at 1360 KHz with 1000 watts, daytime, non-directional. I've enclosed a copy of our coverage maps for your records.

I appreciate your acknowledgement of our signal and will file your letter for our records. Our most distant report is from Hawaii.
