Dear Mr. Lindblade:

This is to confirm your reception of KLNG May 5, 1977 from 1:29 to 2:00 P.M. CDT, and your log is correct for this time-period.

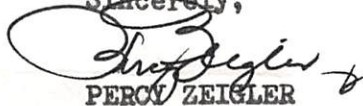

I'm sorry that we don't have a regular verification card, but I hope this letter will suffice for the purpose. I am also enclosing a call-letter sticker.

We are expecting a call-letter change around June 1st, pending on F.C.C. authorization. The new call-letters will be KYNN, and the program format will change from all-news to country-western with heavy accent on news and news coverage.

The reason for the change is, effective June 1st, the 24-hour news and information service that we receive from the NBC Network is being discontinued.

Thank you for your interest.

Sincerely,

PERCY ZEIGLER
Chief Engineer
