Dear Mr. Lindblade,

I am writing to confirm your reception report of Dec 11, 1975 on 940 Khz. between 5:00 PM and 5:15 PM CST. Your log is accurate to the letter. It's good to know we have at least one listener in the Omaha area. Sorry, but we have no bumper stickers as such, but I will keep your letter on file and send you one in the event we have some made up. I have enclosed a coverage map for your station for your records.

Some time in the near future, I will be conducting a DX test for members of the National Radio Club and it will most likely be mentioned somewhere in your club bulletin.

Thanks for the letter and keep on DX'ing.

Cordially

Thomas Ingledeu
