Dear Mr. Lindblade:

This is in reply to your letter of Sept. 11, 1975, which will verify your reception of our station on October 25, 1974.

We apparently did not receive your original report, and are sorry for the delay.

We do frequency checks on the 4th Friday of each month from 12:45-1:00 CDT and hope that you will be able to receive the signal at that time in the future.

Sincerely yours,

  
J. Frank White  
Chief Engineer
