Dear Rolland:

It was a pleasure for WYNN to assist you and the many other National Radio Club members who participated in our test transmission on November 22, 1976. The information stated in your letter was correct according to our log.

for your information, your's was one of the furthest receptions we have heard from. Others include Provincetown, Mass., Chicago, Ill., Lincoln, Neb., and Tylertown, Miss.

Once again, the pleasure was all ours and we thank you for your interest.

Kindest regards,

James N. Maurer
President, General Manager
