Dear Mr. Lindblade:

Thank you very much for the information on our testing procedure on October 12, 1975, from 4:46 AM until 5:00 AM CDT. We feel that the information you have sent us will be of great help to us.

I am sorry to say that we do not have a coverage map for you at this time, but maybe I could possibly get one for you at a later date. We do seem to cover a large area with just 250 watts since we are on practically a clear channel. If we can be of any other help to you, please let me know.

Sincerely,

Mike Henry
