Dear Rolland,

This letter is verification of your reception of KEGG's DX test conducted on Monday morning, December 10th, 1979, from 2:29 A.M. to 3:02 A.M., Central Standard Time. Most letters I have received have stated that KEGG had interference from KCJJ in Iowa City, Iowa.

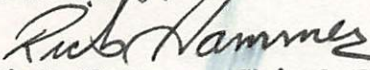

I am enclosing a coverage map in appreciation of your time spent.

As of 12/21/79, I received letters of verification from: New Jersey, Ohio, Illinois, New Mexico, Nebraska, Pennsylvania, Florida, Iowa, Massachusetts, Virginia, and Tennessee.

I want to take this time to thank you and the other members of the Radio Club who took the time to monitor KEGG. The information I received was very interesting!

HAPPY NEW YEAR TO YOU AND YOURS!!!!

Sincerely,

Rick Hammer, Chief Engineer
