

KEYH 86 

11-7-77

Mr. Rolland L. Lindblade
1017 N. 90th #2
Omaha, Nebraska 68114

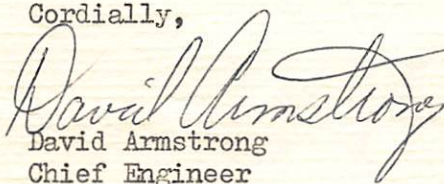

Dear Mr. Lindblade:

I am glad to confirm your reception of KEYH, 10-27-77, 1836 to 1844.

We presently are operating 1KW non-directional due to our transmitter site being destroyed by fire. Normally we operate 10KW directional with five towers.

Thanks for the report.

Cordially,

David Armstrong
Chief Engineer

DA/ir
