Dear Mr. Lindblade:

Please consider this as our verification of your reception of KOZA on the early morning of September 27, 1976.

We are usually on the air at various times during the experimental period each Monday morning. Also we have a regular frequency check schedule with a monitoring station in Austin, Texas the fourth Monday morning of each month from 12:10 AM till 12:20 AM.

DXingly yours,

KOZA Radio
