Dear Roland,

Thank you for your letter in regard to your reception of KPAN. I was able to verify your log, starting with the country version of Rudolph the Red Nosed Reindeer at 5:41 PM on December 2, 1978. KPAN then signed off the air at 5:45, with the format that you described.

Thanks again for your interest; if you are ever in the Hereford area, please stop by the station.

Sincerely,

Chip Formby
