Omaha, Nebraska

Dear Mr. Lindblade:

First let me apologize for the extreme lateness of this reply to your letter of 26 April 1976. I just found it a few minutes ago, laying atop my engineers desk. Why he not responded, I don't know....but again my apologies.

This will confirm your reception of Radio Station KPDN, Pampa, Texas 1340 kc, from 12:16 am to 12:30 am on April 26, 1976. The information given concerning the test corresponds with what was transmitted.

We appreciate the information from you, and hope, that as a NRC member, this will give you another station for your lengthy list. One of your avid members, John Callarman of KMIX, Mt. Vernon, Illinois, was formerly my news director and later station manager.

Again, my apologies for the delayed response.

Cordially,

Warren L. Hasse
