Dear Rolland,

Just a short note to verify your reception report of KTON AM 940 kc from 5:15 pm to 5:18 pm on January 3, 1975.

The majority of your report was correct.

KTON AM, daytime only, uses a Gates President console, a Collins 20V3 1000 watt transmitter and a Two tower array with a wide coverage to the north and a null in the southwest and southeast sectors.

KTON AM went on the air December 1, 1961.

Thanking you again for your report, I remain,

Sincerely yours,

Carl L. Knelly (chief operator)
