Dear Mr. Lindblade:

We were pleased to receive your DX letter. The program details you write about are correct. The whistling piece you were referring to, is entitled "The Andy Griffith Theme". Our format is Country and Western.

Our Sign On time is 6:30 A.M. and Sign Off is 6:30 P.M. Beginning April 1, Sign will be at 6 A.M. and Sign Off will be at 7 P.M.

As we have only been on the air since January, we do not as yet have either bumper stickers or Coverage Maps. When we get them, we will send them to you.

Thanks for your letter.

Sincerely,

Fred Brown
Manager
