Dear Sir:

This is to confirm your reception of our AM signal, 910 Khz, on December 7, 1975. Sorry it took so long to reply but the guy that sorts the mail cleaned off his desk a couple of days ago and found your letter. The 10¢ stamp you sent won't cover postage any more so I'll just run it through the postage machine.

We don't have any bumper stickers but I'm enclosing one of our coverage maps. You are definitely outside our primary coverage area, so that must be one heck of a receiver you got there.

Sincerely,
Bill Everson
