Dear Mr. Lindblade,

We were pleased to receive word of your reception of KFIZ Radio. We did indeed broadcast the items that you mentioned on February 16th, 1979 from 12:04-12:06am. With power of 250 watts at night, your reception truly amazes us. Jan Evans, our nighttime announcer, will be happy to hear she has listeners in Omaha.

Enclosed are some KFIZ decals and bumper stickers, as requested. Thanks again for your letter...and good luck.

Sincerely,

Joe Goesser
