WIGM has been on the air since 1941, and operated from 5:30 AM
until 10 PM ~~Sundays~~ weekdays, and 7 AM to 7 PM Sundays. Our studios and
transmitters are located on the south edge of Medford on state highway
13, and our FM has been on the air since 1968, simulcast most of the
time with the AM.

Our equipment is a mixture of Cillins, Gates, RCA and CBS, and we
are a member of the ABC network.

Medford has about 3500 population, and for industry we have
woodworking, aluminum products, Pizza, and the highest concentration of
