Dear Mr. Lindblade,

Thank you for your letter, I was surprised someone picked up our test especially at that hour, and that day, when you weren't looking for it. We were conducting the test for the Commercial Radio Monitoring Co. in Lees Summit, Missouri.

We do appreciate your information, we normally conduct our test on the 4th Tuesday of the month at 12:30 AM & 12:45 AM M.S.T., and will do so again January 27th.

Enclosed a coverage map as requested.

Thank you,  
Norm French
