Dear Rolland,

We received your letter about a week ago, and were pleased to hear from you.

Everything you have on your program log of our station is correct except for the few details written therein. We appreciate your letting us know that we were heard that far away, as our map does not indicate Omaha, Neb. as within a close enough distance, for reception on your part.

Again, thanks for your letter....

Sincerely,

Pat Gabriel
KOWB Public Service Dir.
