Dear Rolland,

This letter will verify your reception of KSHY radio on Sept. 14, 1978. We were installing some "processing equip." on that evening and you are correct in saying the same 4 songs were playing. We do operate by remote control but the transmitter is very close to us, thus the reason for the same songs.

Enclosed find a bumper sticker to add to your collection.

We wish you happy listening.

Sincerely,

Ramona Harris,  
Operations Manager
