

WHYY 440 5000 WATTS

October 16, 1978

Rolland L. Lindblade
1017 N. 90th St. #2
Omaha, Nebraska 68114

Dear Rolland:

We were pleased to receive your reception report. This letter will verify the information submitted from your log. We also appreciate the Broadcasters' DX Guide and all members of the NRC. Enclosed is some information on WHYY and some window stickers.

Thanks for your report.
