Dear Rolland,

First of all, my apologies in advance for the typing. My secretary's sick today.

Yes, that was us you heard! Congradulations! We're a 100 kw stereo station broadcasting christian programming. Notice I say CHRISTIAN rather than religious or something like that. We lift up the Lord Jesus Christ and believe that there is more to being a christian than just going to church, it entails a personal relationship with the person Jesus, beginning with the realization that we are doomed to hell without Him; repenting of one's sins is necessary and asking Christ to come into one's life. That's when the new life begins! Man, what a life!

I lived in Lincoln the winter of 74-75 and worked at KFMQ as Chief. As a matter of fact, I was born in Nebraska and its probably my favorite state. Are you going to college there in Omaha? If I remember right, there is a U of N campus there. I'm only 22, and have known Jesus for only about a year, but I can tell you this, if this thing I'm talking about is at all foreign to you and you'd like to know more about life abundantly, and you'd like to make sure you're not going to hell, Rol, get back in touch, OK?

Enclosed is a bumper sticker for your collection , I just finished taking a set of field strength readings, but havent got them ready for publication yet. Drop me a line in a month or two if your'e still interested.

Sincerely,

Michael E. Ziegenbein
Chief Engineer
