Omaha, Nebraska 68114

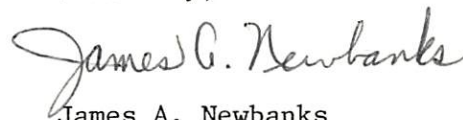

Dear Mr. Lindblade:

It is my pleasure to confirm your reception of WSSR on September 7, 1977 from 1:46 a.m. to 2:01 a.m.

WSSR is a non-commercial radio station licensed to Sangamon State University and is affiliated with National Public Radio. We operate on a frequency of 91.9 MHz with an effective radiated power of 50,000 watts. Our transmitter site is located East of Springfield, Illinois, approximately 10 miles. Our tower height is 524 feet. Under normal circumstances, our coverage area is in an 80 mile radius of the transmitter site. Our capitol investment for the station is approximately \$280,000.

If you are ever in the Springfield area, we invite you to stop by and visit with us at WSSR.

Sincerely,

James A. Newbanks
Director of Engineering
