Mr. Lindblade:

We're always pleased to hear from DXers.  
This is to verify your letter dated 2 July, 1975 and  
to <sup>advise</sup> that on June 30, 1975 at 6:48-6:53 P.M. we did  
in fact give your stated PSA and Station Promo.  
We are a 3kw Fm mono station at 95.3 on 178 ft.  
tower, We've been on the air Fm for about 4 months  
& of course we are on also with 500 Watts.  
Thanks for writing

Sincerely,  
Nath Guillot  
Maintenance Engineer
