Mr. Rolland L. Lindblade
1017 N. 90th Street #2
Omaha, Nebraska 68114

Dear Mr. Lindblade,

Thank you very much for your long distance DX report of reception of WMYS.

WMYS is a 50,000 watt FM Stereo Broadcast radio station with a center of radiation at 588 ft. Our antenna is circular polarized.

Your report is very correct and the distance is amazing. Thank you.

Yours truly,

Jerry L. Bowers
Technical Director
