Dear Mr. Lindblade:

I apologize for the two week delay in answering your letter, but I was in Colorado on vacation.

Your letter dated August 14, 1975, with a log on date August 6, 1975 from 8:57 to 9:10 a.m. appears correct.

It should also be mentioned that you have covered a great deal of distance with your receiver. I believe that International Falls has the other long-range DXer who has written to KRSW; he, by the way, is also a member of the Worldwide TV-FM DX Association.

Sincerely,

Paul Derby  
Chief Engineer
