Dear Mr. Lindblade

This letter to confirm your reception report of KWOA-FM Stereo on Aug 5, 1975 from 10:25 to 10:49 CDT.

KW OA FM opertates on 95.1 Mhz with an erp of 100KW circular polarized. The anenna is located atop our 600 ft am tower located 4 miles west of Worthington. Our programing is done by computer and is for the most part untouched by humman hands.

Thanks very much for the nice report . Sorry we have no Fm coverage maps.

Sincerely,

Stephen Larson
