Rolland L. Lindblade
1017 N. 90th St. #2
Omaha, Nebraska 68114

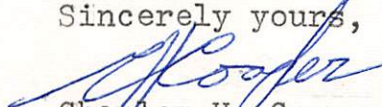

Dear Mr. Lindblade,

Thank you for your excellent signal report from Omaha, Nebraska, dated June 29, 1975, and received by your station at 5:47PM on June 18, 1975.

Please accept this letter as confirmation of your signal report. Enclosed is a program schedule identifying the 5:55PM Miss. Fish and Game Commission program followed by Community News at 6:00PM.

Our equipment consist of a Gates FM 2.5 H3 transmitter and circularly polarized 3 bay antenna. Our tower is 304 feet plus 26 feet above MSL. Geographically, WOSM is located $\frac{1}{2}$ mile north of U.S. Highway 90 on Highway 57, midway between Pascagoula and Biloxi, Mississippi.

Sincerely yours,

Charles H. Cooper
Owner - Manager
