The Big audience percent in Central California

February 5, 1979

Mr. Norman L. Maguire
6105 Del Campo Place NE
Albuquerque, NM 87109

Dear Mr. Maguire:

This is to confirm your letter reporting reception of our station's signal dated January 26, 1979. It was a real pleasure to hear from you. Our pre-sunrise power is 365 watts at 1370 Khz. Our station is a daytime country format station.

Thank you for your letter.

Sincerely yours,

PAPPAS ELECTRONICS, INC.
