VOICE OF POMONA VALLEY

Ontario, California

January 20, 1950.

Mr. Norman L. Maguire,
434 North Maple St.,
Albuquerque, New Mexico.

Dear Mr. Maguire-

I would like to thank you very much for your letter and to verify your reception of KOCS, 1510 kilocycles, 250 watts from 1:00 to 1:33 A.M., P.S.T., January 12, 1950, when we were having a frequency check and equipment test.

For your information, we use all General Electric equipment here at KOCS. Our antenna is a self-supporting 267 foot vertical tower. The night of the check the temperature here was 33 degrees, and there was an extremely dense fog.

Thanking you again for your letter, I am,

Very truly yours,

FLOYD W. HALL, Chief Engineer.
