Telephone 1265-1450

PORTERVILLE, CALIF.

"AT THE 'TIP' OF YOUR DIAL"
1450 KC

December 30, 1948

Norman L. Maguire

434 North Maple

Albuquerque, New Mexico

Dear Sir,

This is to verify your report of reception of this station on December 20, 1948.

Your report was correct as checked with our logs and we do sincerley appreciate the letter.

KTIP is on the air for a regular frequency test period every fourth Tuesday morning of each month, for a period of fifteen minutes from 1:00 A.M. to 1:15 A.M. P.D.T.

Our transmitter is a 250 watt Raytheon unit with a vertical radiator 205 feet high.

Porterville is located at the foot of the Sierra Nevada Mountains in Central California in the heart of a great diversfied agriculture area and the heart of Californias Orange Belt.

Thanks again for the report and we hope to hear from you again soon.

Yours truly,

Hampton McKinney
