Dear Mr. Maguire:

This is to verify and to confirm your reception of our standard frequency check October 14, 1963, at 12:30 AM. I have turned your report over to our Chief Engineer Mike Shafer.

We normally conduct frequency checks on a monthly basis on early Monday mornings. We are a twenty-four (24) hour operation, but do leave the air for maintenance and frequency checks -- 11:00 PM Sunday to 5:00 AM Monday.

Again my thanks for your interest and complete report.

Sincerely,
