ENGINEERING DEPT.

20th April 47

Mr. Norman L. Maguire,  
185 Williams Street,  
Glastonbury, Ct.

Dear Mr. Maguire:

Thank you for your report of April 6th on our test program of the 250 watt auxilliary xmitter. Your report was very complete and correct in all details.

This will verify your reception of WKAT, Miami Beach, Florida, while operating on 1360 kc/s with a power of 250 watts.

Let us hear from you again.

Very truly yours,

EDW. M. VICKERS (Eng.Dept.)
