Antenna 50 ft. NW-SSE same on air.)

Receiver Scott-30 Philhamonic Signal Strength RT-5, QSA5-2 (Poor signals after KFJZ

When do you hold your test broadcasts, if any? I hope that there may be sufficient data above to warrant a visitation of WFDG. Your signals were fine until KFJZ down in Fort Worth came on and drowned your signals out. Sorry to give you such a short report, but I have never heard a WFDG before, tho I have tried for over a year.

6:32 "Star Spangled Banner" in its entirety behind KFJZ. The remainder of the program was lost but the announcement that followed and entire listing of the final anthem, WFDG's signals could be heard for the entire duration, KFJZ, Fort Worth, Texas signed on.
