

Station 5CL.
40 Hindmarsh Square
Adelaide
South Australia.
21-3-47.

Mr Norman L. Maguire,

Dear Sir,

Have checked on your report
and at time stated we had a recorded orchestral session
which confirms the report as correct.

Our station does not have a QSL card and
usually does not answer reports.

I am a recording engineer on the station and
seeing how far away you were, I thought I would
write this few lines in answer to you.

Best of Luck for continued better reception,

Yours Sincerely,
George W. Luxon.
(VK5RX).
