U.S.A.

Dear Sir:

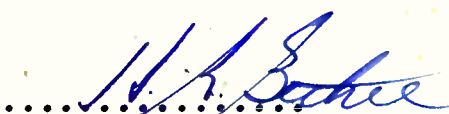

I wish to thank you for your letter of October 16th, 1946, reporting reception of Station Z.N.S. I am pleased to be able to inform you that your statement of programme material heard is correct, and one of our Verification Cards is enclosed herewith.

It is excellent to know that our Station is so well received in Glastonbury Connecticut. Our new frequency of 1540 Kcs has only been in operation a few months.

At the present time the Station's hours of operation have been curtailed to two hours daily. 9.30 - 10.30 a.m., 6.30 - 7.30 p.m., with a transmission from 5 - 7.30 p.m. on Sundays, due to illness and shortage of staff. We hope that this measure is to be only temporary, however, and when the above difficulties are over-come, Station Z.N.S. plans to branch out with broad and varied programmes once again.

I hope that you will continue to hear our Station, I am,

Yours faithfully,

  
.....
